f i p t

1
Print and cut out the vegetable template pieces. Trace the shapes onto felt and cut them out.

2

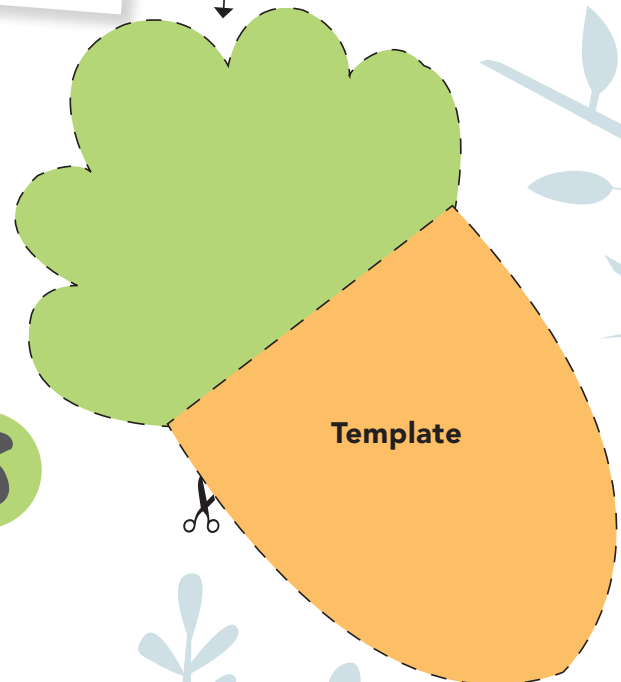

Carefully cut two matching pieces for each vegetable. Attach the leafy felt top to the back of the pocket.

3

Lastly, glue or stitch around the edges, leaving the top open to create a pocket ready to pop the bunny in!

Play idea!

Kids can tuck the bunnies into their carrot beds for a nap, then wake them up when it's time to explore the garden!
